

MIAMI PALMETTO SENIOR HIGH SCHOOL PANTHER BAND PARTNERSHIP OPPORTUNITIES 2016 – 2017

Dear Community Members,

The **Miami Palmetto Senior High Band Program** is a visual and performing arts program at one of the top high schools in the nation. We are constantly looking for opportunities to connect our performers with alumni, the community and to represent Pinecrest and South Florida with pride on the national level.

Our program is designed to provide students with the fundamental skills of respect, responsibility, accountability, teamwork and character development that transcend art and performance. Our goal is to prepare the students for whatever future occupation they pursue and provide them with the skills and experiences that will make them competitive immediately.

We now look to individuals and business such as yours to help us support and sustain our high caliber program. Your generous tax-deductible donation offers an excellent opportunity to partner with our elite group of musicians, while increasing community outreach and visibility.

The support of individuals and the community makes a dramatic impact on the success of our program. These special gifts are something not all community members can make, and we thank you in advance for the generosity, as you will be making a profound difference in our student's lives. Your contribution can help us provide lifelong experiences that will impact our students and the community for years to come.

Attached is a list of partnership options that can help us attain the following goals:

FMEA participation fees, Hialeah Showcase of Champions Competition, Triton Invitational Competition, Florida Band Association Assessment Fees, SFWGA Circuit Fees, Transportation to and from Events, Instrumental and Uniform Maintenance

With Panther Pride and gratitude for your generous donation,

Eunice McCann
